what we do.

Our Plascon Spaces Showroom offers Plascon fans professionally guided advice on Plascon paint products and colour schemes.

Selecting the right colours takes time and planning which is why we require you to book an appointment. This enables us to get to the heart of your requirements ensuring we give you the best product and colour solution for your project.

Private Consultations - 5 easy steps

1. Please book a 1 hour **free of charge** appointment by calling 011 467 5193 or emailing spaces@plascon.co.za.
Note that a separate appointment is required for interior and exterior consultations.
2. Complete a detailed Q & A which will be sent to you upon confirmation of your booking.
3. Email us your completed Q & A along with high resolution jpeg images of your interior or exterior space.
Note that images must not exceed 1MB per email.
